Where the charges fail to designate such person, then the first charging member named in the charge shall be considered the representative of the others.

Section 2. Charges must be submitted within sixty (60) days of the time the complainant becomes aware of the alleged offense.

Section 3. A separate Trial Committee composed of three (3) members shall be appointed by the Local Union Executive Board for each individual trial, and shall be given the responsibility of conducting such

If the accused member or accuser is an Officer of the Local Union, such person shall not participate in the designation of the membership of the Trial Committee. No one shall be eligible to serve as a member of the Trial Committee who is a witness to the facts alleged to constitute a violation or who has personal interest in the outcome of the Trial.

The action approving the appointment of the Trial Committee shall take place at the first Local Union Executive Board meeting after the Local Union receives the charges unless the charges are received by the Local Union within five (5) days before the Local Union Executive Board meeting in which event the action shall take place at the Local Union Executive Board meeting following the first meeting after the Local Union receives the charges. Should the next Local Union Executive Board meeting not be scheduled within thirty (30) days of receipt of the charges, the Local Union President shall call a special meeting of the Local Union Executive Board within those thirty (30) days.

Section 6. Every effort shall be made to schedule the trial so that it does not conflict with the working schedules of the parties. The hearing shall be conducted by the Trial Committee in an orderly manner and shall assure the full presentation of all the facts. The accused shall be entitled to be present at all times during the hearing, investigation or argument of the case and shall be entitled to question all witnesses appearing in the matter so long as the questioning does not become insulting, unduly argumentative or repetitious. In the event that the accused fails to appear at the hearing at the time and place provided in the notice and presents no reasonable excuse for absence, the hearing shall proceed with the same force and effect as if the accused were present.

Section 7. At any time during the processing of charges alleging a serious violation by a Local Union Official of Section 2 of Article IX, the International President may, upon written request (sent by certified mail, overnight courier or other means providing proof of receipt), and where supported by preliminary investigation conducted on behalf of the International President, summarily remove such Local Union Official from office during all or a portion of the time necessary to process the charge.

Section 8. The Trial Committee shall record minutes of its meetings and proceedings, and these minutes, together with any documents submitted, shall constitute the official record of the Trial Committee.

Section 9. A member placed on trial shall be permitted representation by a representative of the member's own choice, who shall be a member of the International Union; such representative, however, shall be required to abide by the trial procedure as established by the Trial Committee and as provided in these By-Laws. The same procedure shall be available to the person filing the charges.

Section 12. The Trial Committee shall submit its written report to the Executive Board within two (2) weeks following completion of the hearing. At the same time a copy of the report shall be mailed to the International Secretary-Treasurer of the International Union and to the accuser and the accused by the Trial Committee.

Section 13. The Local Union Officers may convene a special meeting of the Executive Board to consider the report of the Trial Committee. In such event the notice of the special meeting shall inform the Local Union Officers that the report of the Trial Committee will be presented at such special Executive Board meeting. Notice of such special Executive Board meeting must also be given to the accused member(s) and accuser(s).

Section 14. In the event the report of the Trial Committee is to be presented to the next regular meeting of the Executive Board, the Local Union Officers must be advised by special notice that the report of the Trial Committee will be considered at such regular meeting.

Section 15. The Executive Board meeting at which the report of the Trial Committee shall be considered shall not be held earlier than one week or later than four weeks following the submission of the report of the Trial Committee to the Executive Board.

The accused or the accuser may appeal from the decision of the Local Union Executive Board to the International Executive Board and thereafter to the next regular International Convention, provided that such person files notice of appeal with the International Secretary-Treasurer within thirty days after the mailing of the notice of the decision of the Local Union Executive Board or the International Executive Board from which the appeal is taken. On appeals, the International Executive Board or such body as it designates - either itself or through a Commission or other mechanism - affords all parties the opportunity to present all arguments and facts whether or not presented in the proceedings at the Local Union level. Decisions on such appeals are based on the evidence presented in the appeal. The International Executive Board shall not, in making its decision, be limited to the arguments or testimony presented at the earlier stages in the proceedings and shall be permitted to cure by its appeal proceedings procedural defects which may have occurred at earlier stages in the proceedings.

Section 20. The decisions of the Local Union Executive Board and of the International Executive Board shall be given full force and effect unless a stay thereof is obtained from the International Executive Board.
